

## SUMMARY

I am a Computer Science student who is deeply committed and highly motivated. My enthusiasm for technology and programming is unwavering. I have a firm grasp of fundamental computer science concepts, algorithms, and data structures. I am known for my exceptional problem-solving abilities and my capacity to swiftly embrace new technologies. I am dedicated to ongoing education and keeping myself informed about the latest developments in the field. I excel in team-based settings and thrive when engaged in demanding projects.

## EDUCATION

### GMR Institute of Technology,Rajam

Computer Science Engineering  
2021 – Present

### Gayatri Junior College,Vizianagaram

Intermediate  
2019 – 2021

### Trisul Ramana School

Secondary Education  
2018 – 2019

## SKILLS

- Programming Languages: C, Python, Java.
- Web Design: Html, CSS , Java Script, Php, ReactJs.
- Database Concepts: My SQL.
- Leadership.
- Problem Solving Skills.

## CERTIFICATIONS

- Web Development and Python coursera certificates.
- Machine Learning Internship certificate.
- Java Solo Learn certificate.

## INTERESTS

- Web Cloning.
- Engaging in Projects.

## CAREER OBJECTIVE

- To become a successful Software Engineer and continuously learn new technologies.
- I contribute to the growth and success of Organization.
- I am looking forward for my first experience.

## PROJECTS

### Text Editor

- A Java-based text editor is a versatile software application that allows users to create, edit, and manage text-based documents
